

## ***What a weekend!***

The 2011 Bright Open Benefit Tournament and Family Fun Night was a huge success. Thanks to all of you that participated in the fun. We had 56 doubles teams involved in the tournament, approximately 25 kids in the Kids' Clinic, and 30-40 juniors and adults participating in the Family Fun Night. Add to that a large number of spectators and helpers during Saturday's BBQ meal, Silent Auction and Raffle Drawings and you have the perfect recipe for GREAT FUN!! Throw in the fun we had with the Vacation Getaway drawings and great weather all weekend and you'll understand just how thankful we are for all of you that played a part in the success of the event!

## **The best part of all is that we were able to raise \$11,460 to give to the Bright family!**

What a blessing and what a thrill to see how friends and family from Robinson and surrounding areas have united to make a difference. Thanks to each of you that participated, purchased goods and donated both money and gifts – and not just this past weekend. Thank you for being there all year. Your compassion and love makes such a huge difference!

Obviously, with Shannon's passing, our hearts are also very heavy. There's still so much more that we can do as Amanda, Nikki and Daisy move into the next part of their journey. Thank you, RISD "family" for the help and support that you have given over the past year . . . and thanks, in advance, for continuing to help as the new needs become reality.

Merry Christmas from the Bright Open family to yours, and may you see all the blessings of the season!
